

Iconasys Earring Hanging Kit

Set-up Guide

The Earring Hanging Kit set up is very straight forward. On one end of the Stem is a magnet. This will mount to the center stem on Iconasys Silver Jewelry, MID, LRG and XL Turntable.

- 1. Remove Turntable Platform and *Support Bearings:**
(*support bearings only available on Silver MID, LRG & XL Turntables)

2. Suspend Turntable Upside down:

3. Insert earrings into the holes on the T-Bar

4. Connect Earring Hanging Kit to Center of Turntable Stem (via Magnet Mount)
